Huntington Woods, Mich.---January 20, 2010---Hennessey Capital LLC, a Michigan-based specialty finance company providing working capital to small and mid-sized businesses, announces completion of the following financing transactions:

- \$50,000 factoring facility to a Michigan-based food distributor to assist with product purchase.
- \$100,000 factoring facility for a Michigan-based signage company to assist with new growth opportunities.
- \$250,000 factoring facility to a Michigan-based auto parts manufacturer to complement its current bank facility.
- \$500,000 factoring facility for a Michigan-based event planning company to assist with its initial cash flow needs after start-up.
- \$750,000 factoring facility to a returning client in Michigan to augment its current bank line to support new growth in the IT and engineering services industry.
- \$900,000 A/R and inventory line of credit for a Michigan-based, laminated paper board manufacturer to replace its current bank facility and provide for additional working capital availability.
- \$1,400,000 A/R and inventory line of credit for a Michigan-based plating company to replace its current bank facility and provide for additional working capital availability.

Hennessey Capital President Mike Semanco says this latest round of financing marks the end of a productive year in 2009 and renews the Company's mission of providing critical working capital to second stage companies.

"We are committed to fulfilling the significant working capital needs of small and medium-sized companies," says Mr. Semanco. "As traditional lending remains

constricted, we will continue to educate entrepreneurs about the power of non-traditional financing options to support business growth.”
